

# WHITNELL WAY (ASHBURTON CHARTFIELD) ESTATE

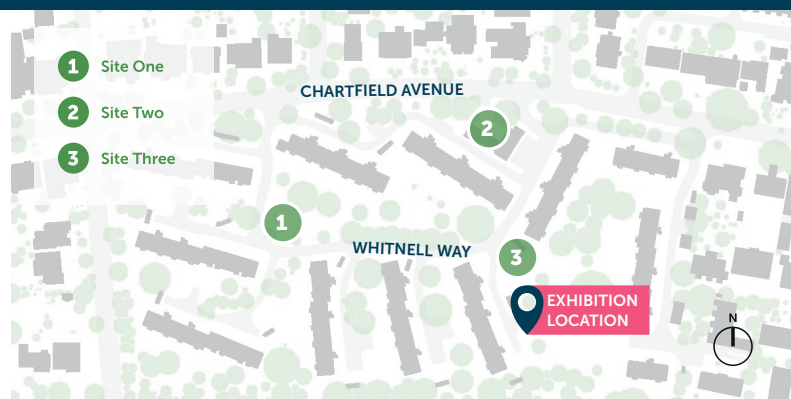

## Public Consultation Invitation

Thank you to everyone who has taken the time to provide feedback on the proposals to provide new homes for council rent on sites across the Whitnell Way (Ashburton Chartfield) Estate.

We held a drop-in session for the local community in November 2022 to introduce the sites on both the Ashburton South and Whitnell Way (Ashburton Chartfield) Estates that are proposed for development as part of the Borough-wide Homes for Wandsworth development programme.

In April and May, we hosted a public exhibition and webinar to present and gather feedback on the emerging proposals for the sites on the Ashburton South Estate. We are now ready to present the emerging proposals for the sites on the Whitnell Way (Ashburton Chartfield) Estate and would like to invite you to the first public exhibition and webinar for these proposals. For full event details, please see below.

At these events we will be sharing the emerging proposals, which have been shaped by the early feedback we've received from the local community and discussions with the local planning authority.

There is still work to be done as the team prepares the final proposals over the coming months. Consultation and engagement with the local community are at the heart of the process. It is important to us that we capture the thoughts and ideas from the local community through these events, to ensure the very best schemes can be brought forward.

These events in June will be followed by an additional exhibition later this year to present more refined versions of the development proposals.

**No existing homes in either of the Ashburton Estates will be demolished as part of future proposals.**
